Invitation to the 29th Annual Congress of the DGSV® e.V. 2026 – with simultaneous English translation and projection

Juni 2, 2026

Dear representatives of the international professional societies,
Dear friends,

We are pleased to announce the upcoming 29th Annual Congress of the DGSV® e.V. 2026, which is scheduled to take place from September 30 to October 2, 2026 at the CongressPark in Wolfsburg, Germany.

We are also very excited to celebrate our 30th anniversary in 2026 and 2027. Since our founding in 1996, we have created milestones for patient safety and reprocessing education in Germany and also for other countries around the world.

We cordially invite you to participate in our congress. The program will include:

- Stimulating lectures and discussions
 - Instruments – Endoscope Reprocessing
 - Quality control and process qualification
 - AI and digitalization as well as automation in CSSD
 - Training at the CSSD
 - 10th anniversary of our three-year educational programme FMA-DGSV® e.V.
 - 25 years of KRINKO national guidelines
 - 50 years of A.K.I.
 - Sustainability and the environment
 - National and international lectures by guest speakers, e.g. Austria, the Netherlands or Mongolia and Japan
- Interactive workshops and discussion panels for active engagement

More than 60 exhibitors will show their products and innovations at their stands.

This year, simultaneous translation of the main sessions into English will be available, and these sessions will also be projected in English. This guarantees a rich and educational experience for our international guests.

We would appreciate it very much if you could share information about the Congress with your members in your countries.
